“Pharos” is the software we use that enables you to print to our library printers/copiers
  - Select one of the Pharos printers
  - Print as usual from any application – enter euid in Pharos popup

To install on your computer, see instructions on Library’s Web site (see below)
  - Follow the instructions CAREFULLY
  - Library computers/labs already have Pharos printers installed

Printing requires a Pharos account
  - Account should already be setup
  - Add funds at the Library Service Desk – funds are non-refundable
  - Logon at Pharos printer with id badge or username/password

To print/install from off campus, use VPN (see below)

Costs:
  - Black/White: 5 cents per side for 8½ x 11 & 8½ x 14; 10 cents per side for 11 x 17
  - Color: 25 cents per side for 8½ x 11 & 8½ x 14; 50 cents per side for 11 x 17
  - No charge for scan-to-email
